My dear Prasiddha and Sister
Ladda,

I am sure you must have already received my last letter. I am awaiting your reply.

In the meanwhile I forward to you enlargements of the pictures I had taken here during your stay in Bombay. They ofcourse, include the pictures taken at the Kanheri Caves, north of Bombay. I hope you both would like them.

Shri Pohekar, Shri Kisan Mehta, Shri Gaitonde, the Jhaveri family, the Mehta-Sisters and all other friends remember you frequently. My regards to Shri Sod & Shri Manasputra,

Looking forward to hear from you,

Affectionately,

Navnit Parekh.
