Dear Mr. Prasidh Silapabanleng:

I hope all of your family are getting very well every day. I am very happy to tell you that the excellent performance of the 4 Thai dancers whom you and Mrs. Ladda sent me are being received by the president of Hotel Daito-kan, his staffs and great many of the visitors with high appreciation. This is my appreciation to you and, meanwhile, my pride.

Well, I would like to ask you a great favour this time. When I was with you in Bangkok last April, you told me that your friend had a dancing school in Manila and their dancing are very good. Would you remember that? Now, I would be very obliged to you if you could introduce to me your friend in Manila, because a hotel which is to open in April next year wants to give the show of Philippine dancing show.

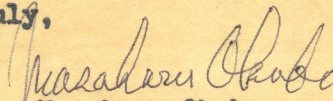

Your friend in Manila is only one possibility forme for the time being and I would be very obliged if you could kindly contact him and tell him my desire and then advise me the possibility.

This new hotel has rather big stage and needs 6 artists. The performances will be 3 times a day and lunch show and dinner show will be 40 minutes and night club show will be 30 minutes. The contract will be 6 months and salary will be same as your case; US\$300 a month per person. Other condition will be same as your case.

I am going to Manila in Jauary (last part) next year to see the artists and their performances and then contact with them. So, I will appreciate it very much if you could send me your reply by the end of this month.

Please give my best regard to Mrs. Ladda, your son, Miss Srikanya and all of your school staffs. Probably, I will ask you agan to send another Thai Dancing artists next year.

Yours very truly,

Masaharu Okubo
