Dear Mr. Silapabanleng:

In response to your letter of the last I shall inform you as follows:

Upon receipt of Mr. Shibusawa's letter, I had contacted the Assian Assn. and have discussed several times but as they are mainly on business affairs, they are not of the opinion on cultural works, so I could not have any further information from here.

Therefore, I had consulted a film company and they had accepted to take this matter in their hands. They have standardized as you will see on a separate sheet; but they will see to that the production be made according to your estimation.

Would you kindly let me know your estimation for a direct payment to the Japanese Film Production Company as they want to do their utmost effort for a successful work.

Also, please send as soon as possible, a copy of the sceneric with full information so that the company could make a study on how to work on it for a successful one.

Hoping to hear from you soon,
With best regards,

Very Sincerely Yours,

Kiitsu Sakakibara
